

Aaron's Cycling Team

For months now the Aaron's Corporate Furnishings division has been anxiously awaiting the start of the cycling season and the debut of our own racing team. Well, what a start it was! The Aaron's Cycling Team opened the Georgia Cup racing season this past Saturday in Griffin, Georgia with two first place finishes. Our first victory came on Saturday in the Brooks Road Race with David Howe taking first place and our second was on Sunday, when Shannon Hutchison came within seconds of lapping the field for first in the Griffin Women's Criterium. Stay tuned for more Aaron's Cycling Team news and more on our sponsorship of the Tour De Georgia where Lance Armstrong will be trying to defend his title.
